

Executive	Design a multimedia presentation exploring the life and views of a past governor or president.	Create a brochure explaining the president's or governor's duties and duties of their cabinets.	Draw a timeline highlighting critical events that occurred during a president's term of office and explain their importance.
Legislative	Create a chart outlining the membership of the legislative branch on either the state or federal level.	Create ten interview questions for a legislator focusing on duties and issues. Interview a legislator.	Explain the process of making a bill into law. Use a product of your choice.
Judicial	Research and compose short biographical sketches of each Supreme Court Justice.	Create a flow chart that outlines the steps a court case must take in order to reach the federal Supreme Court.	Create a political cartoon concerning a controversial Supreme Court ruling.

Figure 7.17. Think-Tac-Toe: **Branches of Government: Less challenging**

<p>Executive</p>	<p>Create a series of political cartoons highlighting major issues under the current president's or governor's tenure.</p>	<p>Role playing either the president or the governor, describe your duties and some of the main issues you've faced.</p>	<p>Analyze the campaign platforms for two main candidates in a presidential or gubernatorial campaign. Present the findings in a product of your choice.</p>
<p>Legislative</p>	<p>Develop a campaign platform for the ideal legislative candidate. Present it in a multimedia format.</p>	<p>In a monologue with your local legislator listening, argue whether a particular bill should be passed.</p>	<p>Write a script for a mock Senate Congressional hearing.</p>
<p>Judicial</p>	<p>Observe a court proceeding and record your impressions as either a journalist covering the case or the court illustrator.</p>	<p>Prepare and present the opening argument for a case of your choice.</p>	<p>Read the decision of a controversial court case. Write an opinion piece either agreeing or disagreeing with the outcome.</p>
